
ERRATA

Following is a list of errata and corrections to *USP 32–NF 27* and its supplements. The page number indicates where the item is found and in which official or pending official publication of *USP 32–NF 27* and its supplements. As necessary, this list will be updated with each month with the posting of monthly errata reports on www.usp.org/USPNF/newOfficialText/ and in each issue of *PF*. This information will also be available as a cumulative table in future *Supplements* and will appear in its corrected form in a future annual edition of *USP–NF*. An erratum consists of content erroneously published that does not accurately reflect the intended official or effective requirements as approved by the Council of Experts. USP staff is available to respond to questions regarding the accuracy of a particular requirement by calling 1-800-822-USPC.
