

Revisions to USP33–NF28

Published April 2010

[Revisions and Commentary](#)

Monographs:

DICLAZURIL PF 35(1) Pg. 73 Title, Chemical Info, Definition, Packaging and storage, Labeling, USP Reference standards <11>, Identification, Loss on drying <731>, Residue on ignition <281>, Chromatographic purity, Residual solvents-<467>, Assay [Elena Gonikberg](#) DIDANOSINE FOR ORAL SOLUTION PF 34(6) Pg. 1443 Assay [Behnam Davani](#) ENDOTOXIN INDICATOR FOR DEPYROGENATION PF 34(6) Pg. 1444 Title, Definition, Packaging and storage, Expiration date, Labeling, USP Reference standards <11>, Identification, Carrier, Endotoxin recovery tests, Purity, Disposal [Radhakrishna Tirumalai](#) ETHYL ACRYLATE AND METHYL METHACRYLATE COPOLYMER DISPERSION PF 35(1) Pg. 123 Viscosity <911>, Coagulum content [Hong Wang](#) GRANISETRON HYDROCHLORIDE ORAL SUSPENSION PF 34(6) Pg. 1454 Title, Definition, Packaging and storage, Labeling, USP Reference standards <11>, Beyond-use date, pH <791>, Assay [Rick Schnatz](#) GRAPE SEEDS OLIGOMERIC PROANTHOCYANIDINS PF 34(3) Pg. 659 Title, Definition, Packaging and storage, Labeling, USP Reference standards <11>, Identification, Water, Method Ia <921>, Residue on ignition <281>, Water insoluble fraction, Pesticide residues <561>, Heavy metals, Method II <231>, Limit of catechin and epicatechin, Content of oligomeric proanthocyanidins, Other requirements [Maged Sharaf](#) HALAZONE PF 34(5) Pg. 1163 Readily carbonizable substances <271> [Radhakrishna Tirumalai](#) HYDROXYPROPYL CELLULOSE PF 35(1) Pg. 124 Identification [Kevin Moore](#) KETOPROFEN EXTENDED-RELEASE CAPSULES PF 34(4) Pg. 951 Dissolution <711>, Title, Definition, Packaging and storage, USP Reference standards, Identification A, B, Water, Uniformity of dosage units, Assay [Margareth Marques](#) LOSARTAN POTASSIUM AND HYDROCHLOROTHIAZIDE TABLETS PF 34(6) Pg. 1455 Title, Definition, Packaging and storage, USP Reference standards <11>, Identification, Dissolution <711>, Uniformity of dosage units <905>, Related compounds, Assay [Sujatha Ramakrishna](#) MEGESTROL ACETATE ORAL SUSPENSION PF 35(1) Pg. 75 Dissolution <711> [Margareth Marques](#) MESNA PF 34(5) Pg. 1168 Limit of sulfate, Related compounds [Clydewyn Anthony](#) METFORMIN HYDROCHLORIDE EXTENDED-RELEASE TABLETS PF 35(1) Pg. 76 Dissolution <711> [Margareth Marques](#) METHACRYLIC ACID COPOLYMER DISPERSION PF 35(1) Pg. 124 Viscosity <911>, Limit of monomers, Packaging and storage, Coagulum content [Hong Wang](#) METHYLENE BLUE INJECTION, VETERINARY PF 34(6) Pg. 1461 Title, Definition, Packaging and storage, Labeling, USP Reference standards <11>, Beyond-use date, Identification, Bacterial endotoxins <85>, Sterility <71>, pH <791>, Other requirements, Assay [Rick Schnatz](#) MINERALS CAPSULES PF 34(6) Pg. 1493 Definition, Assay for calcium, Method 1, Assay for chromium, Method 1, Assay for iron, Method 1, Assay for magnesium, Method 1, Assay for manganese, Method 1, Assay for phosphorus, Method 1, Assay for zinc, Method 1, Assay for boron, nickel, tin, and vanadium, Method 1; calcium, chromium, copper, iron, magnesium, manganese, phosphorus, and zinc, Method 2; molybdenum and selenium, Method 3 [Gabriel Giancaspro](#) MINERALS TABLETS PF 34(6) Pg. 1495 Definition, Assay for calcium, Method I, Assay for chromium, Method 1, Assay for copper, Method 1, Assay for iron, Method 1, Assay for magnesium, Method 1, Assay for manganese, Method 1, Assay for phosphorus, Method 1, Assay for zinc, Method 1, Assay for boron, nickel, tin, vanadium, Method 1; calcium, chromium, copper, iron, magnesium, manganese, phosphorus, and zinc, Method 2; molybdenum and selenium, Method 3 [Gabriel Giancaspro](#) MOMETASONE FUROATE CREAM PF 35(1) Pg. 82 Packaging and storage, Related compounds, Assay [Clydewyn Anthony](#) MOMETASONE FUROATE OINTMENT PF 35(1) Pg. 84 Packaging and storage, Related compounds, Assay [Clydewyn Anthony](#) MOMETASONE FUROATE TOPICAL SOLUTION PF 35(1) Pg. 87 Packaging and storage, Related compounds, Assay [Clydewyn Anthony](#) MYCOPHENOLATE MOFETIL PF 35(1) Pg. 89 Identification, Melting range, Class Ia <741>, Related compounds, Assay [Feiwen Mao](#) NARATRIPTAN HYDROCHLORIDE ORAL SUSPENSION PF 35(1) Pg. 90 Title, Definition, Packaging and storage, Labeling, USP Reference standards <11>, Beyond-use date, pH <791>, Assay [Rick Schnatz](#) NATEGLINIDE PF 34(6) Pg. 1463 Title, Chemical Info, Definition, Packaging and storage, USP Reference standards <11>, Identification, Loss on drying <731>, Residue on ignition <281>, Heavy metals, Method II <231>, Related compounds, Assay [Elena Gonikberg](#) NITROFURANTOIN CAPSULES PF 35(1) Pg. 92 Packaging and storage [Behnam Davani](#) NORETHYNODREL PF 35(1) Pg. 92 Title,

Chemical Info, Definition, Packaging and storage, USP Reference standards <11>, Identification, Infrared Absorption <197S>, Specific rotation <781S>, Limit of ethynyl group, Limit of norethindrone, Ordinary impurities <466>, Organic volatile impurities, Method V <467>, Official Date, Assay [Mary Waddelli](#)
